## High School Annex Gets Rush Order

### \$995,000 Project Ok'd For District, 612 to 513

Plans for a two-story addition to Antioch High School shifted into high gear this week as voters put their seal of approval on the \$995,000 project.

The Board of Education met Wednesday night to canvass votes in Saturday's referendum, in which the proposal won by a margin of 612 to 513.

The new unit—which will accommodate 400 more students—will be a brick structure on Main St. in front of the present building, connecting to it by two corridors. It will house 11 classrooms, five science rooms, a cafeteria, kitchen, library, study hall, offices and washrooms.

### Two Parties, Independent In Town Race

Battle groups have been formed and candidates set for the race for Township posts April 4.

Under banner of the People Party ticket will be: L. R. Van Patten, incumbent, for town clerk; G. Dudley Kennedy, assessor. For the board of Town Auditors — (three to be chosen) are Irving Carey, John P. Miller and George Hawkins; for the library board — W. Richard Whitacre and Myrtle Biel.

Seeking Township offices on the Progressive Party ticket are: Elsie M. Turner, town clerk; Elmer P. Barnes, assessor; and Board of Town Auditors, Edward T. Hevrdejs.

Helen Burke, has refilled for assessor as an independent. Mrs. Burke had originally filed for assistant supervisor, a post eliminated two weeks ago by state legislation which raised township minimum population requirements for this office from 7,500 to 10,000.

Deadline for filing was Monday, Feb. 13. Withdrawal date for candidates is Saturday, Feb. 18.

### Tiede Heads LV Township Slate

LAKE VILLA — Edward Tiede, seeking a third term as supervisor, heads up the Citizens Party of Lake Villa Township for April 4 elections. Joseph J. Pleviak, Lake Villa grade school teacher and a deputy assessor for the last four years, is running for assessor.

Ronnie Coles, Lindenhurst, is candidate for town clerk. Township auditor candidates are incumbents Reeve Loomis, Jr., Venetian Village, and Eric E. Anderson, Millburn. Percy J. Moran, Venetian Village, is running for the office of justice of the peace.

Seeking re-election to the library board are Mrs. Gertrude Blust, Petite Lake Road, and George A. Nedolice, Venetian Village. Mrs. Frances Williams is running for library director to fill an unexpired term.

### Framing Work Started on Plant For Quaker Firm

Quaker Stretcher Co., Kenosha firm now constructing a 152,000 sq. ft. plant in Antioch, has appointed Richard Kruglov, formerly of New York, as chief auditor, according to David Kritzik, Quaker president.

Construction is proceeding at a quickened pace on the 20-acre Quaker site east of the Soo tracks adjacent to the High school athletic field. Crews of Arnold N. May Builders, Inc., general contractor for the project, are currently erecting the framework of a 25,000 sq. ft. warehouse on the western limits of the site and a railroad spur has been constructed.

The warehouse structure is of pole type construction, in which the structural framework consists of timber poles mounted on top of footings and foundations as support for walls and timbered roof. Roof framework is prefabricated on the site and lifted into position.

Work on site and foundations of the main plant immediately to the east of the warehouse is also proceeding on schedule.

Quaker has set July 1 as target date for starting operations from the new plant here. The firm employs between 250 and 350 in the manufacture of such products as TV stands, chafing dishes and other housewares which it markets internationally.

### Centennial Fete Plans Go Ahead

Antioch's village-wide Civil War Centennial celebration June 23, 24, 25, took a giant stride forward this week in a planning meeting Monday night by sponsoring organizations.

Tentative planning includes a torchlight parade, huge barbecue, flower and art exhibit, pageant, a series of one-act narrations and various contests.

Under direction of Dr. James W. Kopriva, Centennial chairman, sponsoring organizations are also toying with the idea of a beard-growing contest, bathing beauty contest with contestants clad in the beach modes of both 1861 and 1961, and various dramatic presentations.

To set the mood, windows of business establishments in town will be decorated with Civil War relics, costumes and articles of the period. This project will be under Jean Gressens, Centennial secretary, who today urged all possessing relics, photos, mementos and letters of the Civil War period to contact either Joan Larson or Robert Wilton, in charge of such materials.

To date, Centennial preparations are being sparked by the Lions Club, Antioch Woman's Club, American Legion, Antioch Garden Club and Palette, Masque & Lyre, dramatic club.

However, enthusiastic planners stressed the Centennial fete is an all-village affair and urged all interested organizations to participate in advance plans and ideas for making the three-day festival a success.

### All Quiet on Political Front Here

Activity on the Village political front remained relatively quiet this week with no new announced candidates for elections April 18.

Candidates on the People's Ticket are incumbent Mayor Murrill Cunningham; incumbent C. B. Shultis for village clerk; incumbents Ernest H. Glenn and John M. Blackman, and H. Roger Williams for trustees, and Richard Folbrink, police magistrate.

Also in the race are E. Elmer Brook, independent for police magistrate, and Raymond Toft, independent for trustee.

Deadline for filing is Feb. 27. The current slow pace of activity included this week's meeting of the Village Board where Mayor Cunningham was hard pressed to gain a quorum for the evening.

With trustees Bernard Osmond, Herman Holbeck and David H. Nissen present, Mayor Cunningham conducted routine business including bill payments and annexation of two lots on Tiffany Rd.

Trustees John Blackman and Ernest Glenn are vacationing in Arizona, and Trustee Edmond Vos is attending a convention in Chicago.

However, the tempo of Village activities is expected to quicken as date for the \$325,000 referendum nears. On Feb. 25, voters will determine the outcome of a proposal for \$325,000 in general obligation bonds to finance improvements in Village sewer, water and disposal facilities.

### Bandits Have Field Day In 5-Store Raids

Nielsen's Corner, Rt. 59 and Grass Lake Road, received a thorough go-over by bandits earlier this week.

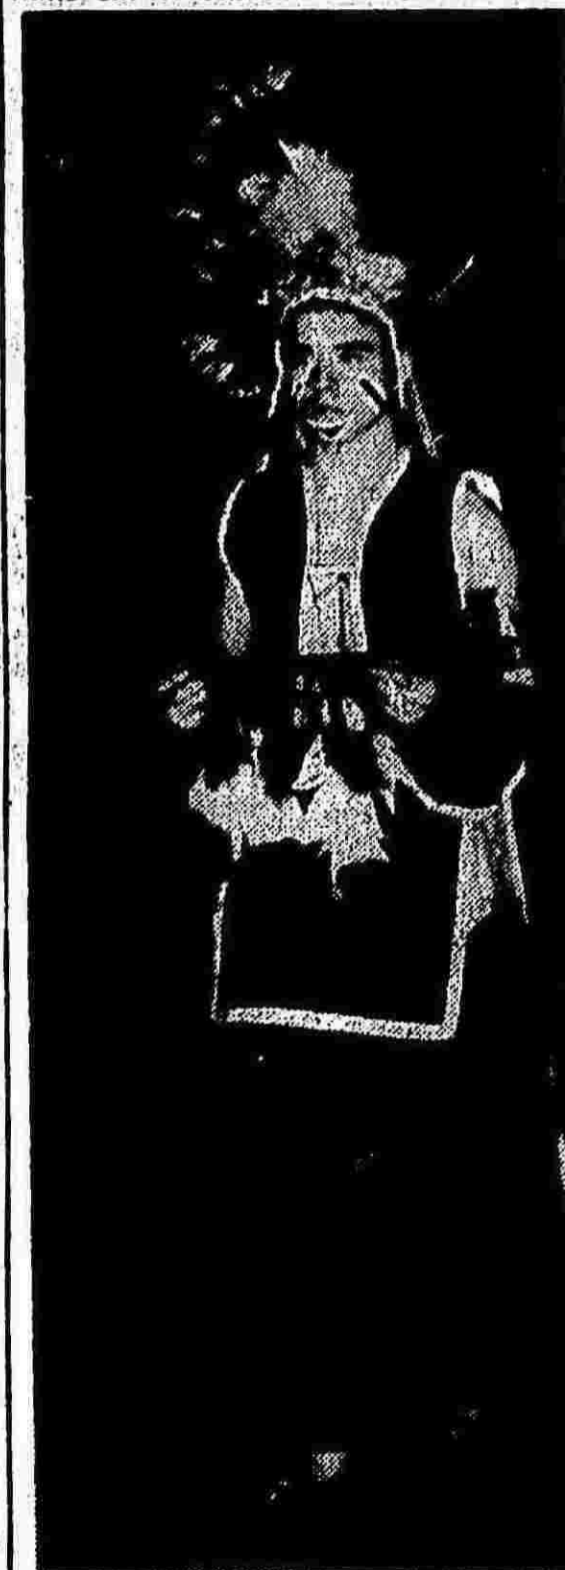

The night of Feb. 17, burglars broke into the House of Quality, the insurance office of George J. Mazuca, Antioch TV, and Lou Nielsen's restaurant. Chuck Smith's Phillips 66 Station was robbed Monday night.

The burglaries were discovered Saturday morning by Joseph F. Burkhardt, partner with Stanley D. Colburn in the House of Quality. Bandits gained entry here by kicking out a backdoor panel. They obtained an estimated \$150 by pry-

### Area Scouters Perform at 6th Annual Scout-O-Rama

COUNTY FAIRGROUNDS — If ever there was a thing for a boy to see or do, it was Saturday at the Lake County Fairgrounds, where the sixth annual Northwest District Scout-O-Rama was held.

More than 12,000 visitors trooped through the fairgrounds building where 60 Boy Scout, Cub Scout and Explorer units from communities throughout west Lake County set up exhibits and displays of scouting in action.

The program Saturday afternoon and evening was formally opened by George Gaul, activities chairman, and Elmer Kolb of Libertyville, Northwest District chairman. The district is a part of the North Shore Area Council, Boy Scouts of America.

For the boys, however, it was the opportunity to sit in a stage coach, throw "flying saucers" to the moon, toss bean bags, hoops and baseballs, test electric bell ringers and watch hot sparks slice through a sheet of glass; see how a signal tower is built, and watch fascinating things being made by other boys. Indian dances, movies and slide shows about scouting activities were part of the program.

Among area units participating in the program were: Pack 92, Antioch; Troop 84, Lindenhurst; Troop 86 and 88, Channel Lake and Lake Villa, and Pack 80, Grass Lake.

Fire Department Handles 3 Calls

The Antioch fire department, after several days of respite, spent a busy Tuesday afternoon on three fire calls.

Firemen extinguished a blaze in a car at Bruno's Service Station, Rt. 173 & 21, at 1:30 p.m. A large fire on Rt. 173 west of Woodcrest Subdivision was brought under control at 3:15 p.m., and fire crews responded 15 minutes later to quell a brush at Rosing's Subdivision, south of Antioch.

Scout Groups Plan Benefit Bake Sale

The Scout Home Group of Grass Lake is completing plans for its Bake Sale to be held Saturday from 8 a.m. to 12 noon at Lyons-Ryan Ford showroom.

Proceeds from the sale will be used to heat and maintain the Scout home and camp grounds. Included in the sale will be home baked items such as bread, biscuits, coffee cakes, pies, cookies and cakes, prepared and donated by Scout families.

Each donor is requested to deliver items to the Ford showroom before 9 a.m. Saturday.

Antioch Chapter 735, Women of the Moose, Academy of Friendship, will meet at 7:30 p.m. March 1 at the home of Mrs. Regina Karrasch.

### Legion Sponsors Theatre Benefit

Antioch American Legion Post 748 is sponsoring a theater benefit party next week at the Antioch Theatre.

Post officials said the local unit's service department is badly in need of funds to carry on the work of providing benefits for needy members.

The public is invited to attend the Antioch Theatre on Wednesday or Thursday, Feb. 22 or 23, for the showing of "The Enemy General" starring Van Johnson. On the same program are a color feature, "The Wonders of Chicago," and a cartoon.

Tickets may be purchased at a reduced price at Cy's Restaurant, Mary's Restaurant or Nick's Town Pizza.

In "The Enemy General," Van Johnson takes the role of an American OSS captain assigned to a daring French underground group that raises havoc with Nazis occupying their community during World War II.

Michael Zeien, son of Mr. and Mrs. Paul Zeien of Channel Lake, underwent an emergency appendectomy Tuesday afternoon at Zion Community Hospital. Mike is a sophomore student at Antioch Township High School.

## Conservation Club Formed

By Mrs. Pearl Kapell

CHANNEL LAKE — The Northern Illinois Conservation Club was organized, and officers elected, at a meeting on Feb. 8 at the Channel Lake School.

Some 50 men and women were present at the organizational meeting. Formation of the club was greeted with enthusiasm, and widespread interest in the subject was evidenced by the presence of people from several different localities. The attendance and obvious interest, of several boys of high school age, led Richard Waters, president of the club, to speculate on the possibility of forming a junior conservation group within the club.

Waters sparked the formation of

the club and arranged for the first meeting. James McMillen, custodian of State Parks, and Lloyd Leable, Conservation game warden, were present at the meeting.

McMillen said one of the aims of conservation was to preserve some portions of the countryside with all its natural beauties intact, from rocks and trees to animal life. Dr. George W. Jensen gave a definition of conservation formulated by Aldo Leopold — "conservation is the wisest possible use of all resources to the greatest benefit to the largest number of people over the longest period of time."

Although a few present felt the club should limit its activities to the improvement of fishing and/or hunting, the bulk of the membership

voted that the club should interest itself in all aspects of conservation.

Officers elected for the new club are: president, Richard Waters; vice president, William Brook; treasurer, Dr. George W. Jensen; secretary, Pearl Kapell. President Waters appointed a steering committee to work with the board of directors in drawing up by-laws. Members of this committee are Ray Hucksted, Joseph Walsh, Steve Young, Margaret Tuck, Charles Pester and Ed Sorenson.

Regular meeting date for the club was set as the fourth Wednesday of every month. The next meeting will be Feb. 22, 8 p.m. at the Channel Lake school. The public is welcome, all interested should contact Richard Waters.

### Methodists Vote for Land Purchase

Members of the Antioch Methodist Church congregation voted Sunday to take up 120-day option on a three-acre piece of property adjoining the church.

The property includes an eight-room house. Total cost will be \$40,000.

According to present plans, the residence would be used as a parsonage and the land as a parking lot. However, longer-range plans envision an addition to the church's educational unit, on the north occasioned by growth of the Sunday School which has grown from 185 to 300 in the past 10 years, according to the Rev. Wallace Anderson, pastor.

Action to purchase the property from Mrs. Charles Ackerman, Crown Point, Ind., was taken in two secret votes Sunday morning. At 8:30 a.m. voting, 73 votes were cast for the purchase, one against; at 11 a.m., 68 votes for, one opposing.

Action on land purchase will be taken at the fourth quarterly conference of the church, Feb. 28.

### Seek AMVET Post

Commander Al Engler has extended an invitation to all veterans of World War II and Korea from this area to visit the next meeting of Mundelein Amvet Post 236.

The meeting will be held at the American Legion Hall in Ivanhoe on Thursday, Feb. 23, at 8:15 p.m. After a short meeting there will be free refreshments and entertainment.

Commander Engler further stated that as the village does not now have an Amvet Post, interested veterans can obtain information on how to start a local post.

## DEAR READER News Editorials

### Put Away That Rod, Dad

Parents and lawmen might well take a page from the book of sheriff's deputies of Lake County, Indiana.

Seems two young lads took it upon themselves to scatter broken bottles over several miles of highway in that county. Their labors were rudely interrupted by the arrival of several sheriff's deputies.

We haven't been advised of what transpired between lawmen and culprits. But the lawmen are doubtless men of deep understanding in the ways of youngsters.

With no threats, no abuse, they quietly loaded the two lads into the patrol car, drove moderately to the home of one of the lads and procured several old brooms.

The boys were taken back to the scene of their recent activities, briefed in the lore of sweeping and gently persuaded to pursue the task at hand.

Several hours and blisters later the youngsters reported completion of clearing 2½ miles of highway of all evidences of broken glass.

### Speak To Me Of Love

A visitor to these shores, French by birth, stated recently before a meeting of breathless ladies that in France husbands and wives have nothing besides love to talk about. That this statement is true there can be no doubt as witness the situation in La Belle, France over the past two decades. If that's what love can do, we're against love.

But we might try a bit of it for size. So the next time the little weaver is loafing over a hot stove trip gently to her side and breathe "Come wiz me to ze Casbah." It might have interesting results.

It is rumored the powers that be considered mild protests at the hospitality afforded our Sequoits by their hosts, Ela-Vernons Bears, several weeks back. Not only were the

Bear basketball players somewhat of a hazard in defeating the locals at Lake Zurich, but an added obstacle doubtless had a hand in the Sequoit defeat. During the entire course of the evening's contest three pigeons, obviously planted there by Ela backers, circled the floor warily, seeking, no doubt, likely targets.

To the uninitiated three pigeons may have no particular significance. But to a former habitué of the pigeon infested Loop these foul fowl with their built-in Norden bombsights are uncanny in their accuracy and no respecter of persons.

It is quite evident to this writer that pigeons circling overhead are a distinct mental hazard to any young stalwart driving in for a layup shot. We never expose ourselves to this danger, however, as our layups are always made with a well-chalked cue.

The old canard about ladies being reluctant to reveal their true age remains just that, if we may judge by a recent note over our desk. Mrs. Anna Zalatoris makes no bones about the matter — has a state license reading AP (for Peter, her husband) — 1894. This could be a good thing for forgetful husbands. Request a license with a number corresponding with a significant date and you'll never forget.

The Antioch News is in trouble. No, not that kind. The so-called rural press is normally a closely-knit organization with the staff, front office and shop, working harmoniously to meet those near-ceasing deadlines. And The News' back shop has suffered a grievous loss in the absence of Miss Mabel Sayles.

Mabel, a young and sprightly 72, has been a fixture here for 10, these many years, and her tenure extends back to when many of the town's leading lights were being diapered.

Mabel, who gently rules the shop from her position aboard the Linotype, was injured in a car accident recently while returning from Woodstock to her farm near Richmond. Nothing extremely serious, mind you, but Mabel can't make it down to the shop until the casts are removed from her injured ankles.

Not only do we miss Mabel's twinkle, but we're tired of seeing that unshaven Gaston boy who has taken over her position temporarily. So come back, Mabel, and soon. We all miss you.

### Courthouse Notebook —

BY LOU DURKIN

Hey, Dad, dig those crazy Democrats and their muscle-flexing around the county in township and Justice of the Peace elections. Hasn't anyone ever cut these cats in on the record that Democrats aren't dug in these solid Republican parts?

Or is it possible they've been listening to a new long playing platter that sends them on a kick that the elephant boys haven't reached.

English translation: Is it possible that the Democrats in Lake County have some information about the entrenched Republican Party and the future of Lake County that hasn't reached the sand-filled ostrich ears of some of the GOP leaders in the county?

The idea of the Democrats slating candidates for a township election in Lake County 10 years ago would have been preposterous, but they must have some hope of success or at least some hope of developing strength through the plan to undertake the township task.

A look around the county at some of the city administrations should tend to awaken the GOP leadership that all is not serene in this once-vaunted Republican stronghold.

Highland Park, Highland, North Chicago, Waukegan, and Winthrop Harbor along the shoreline, and Fox Lake in the western part of the county have Democratic mayors and they form the nucleus of a pretty fair county organization.

It is a situation that has caused a few of the thinking members of the Republican Party to take a long, hard look at the future of the GOP in Lake County.

The county board of supervisors last week received the land use map that has been in preparation for some time, but delayed action on it for a month so all the board members will have a chance to study it before voting on its acceptance.

The City of Waukegan faced a similar decision a few months back when the Comprehensive City Plan was presented by the planning commission.

There was considerable argument over the phrasing of the motion with some members wanting to "adopt" the plan and other aldermen insisting that it be "accepted."

The difference seemed to be that if the plan was "adopted" it would be binding on the city and future growth, whereas if it were only "accepted" it would serve as a guide, but not a straitjacket.

The county board should make its decision on the basis that the landmap would be a guide for the entire county, but it should be kept flexible enough to meet changing conditions.

It was a nice honeymoon while it lasted, but the future looks rough for the Lake County Safety Commission and all because the commission failed to go along with the "suggestion" that Deputy Sheriff Harold Scheskie would make a good director.

Now the supervisors feel they should make all appointments and strip the commission of some of its powers.

It's unfortunate that the appointment of Eugene G. Landen as executive director instead of Scheskie has threatened the future of the commission.

Some of the supervisors who favored Scheskie, who would have been a good choice, are acting like petulant children in attacking the commission and the new director because he wasn't their choice.

### Your State Senator Reports

By Rep. Paul Simon

This week marks the birthday of Abraham Lincoln, and sometimes it's forgotten that he spent four terms in the Illinois House of Representatives.

If Lincoln were to again enter the Illinois legislature there are two measures which probably would interest him greatly: the Equal Job Opportunities proposal and the Freedom of Residence proposal.

Both are involved in the struggle in which he was engaged, that our country should not be "half slave and half free."

Slavery is no longer with us, but it cannot be denied that many of our fellow citizens are deprived of some of the opportunities others of us have, because of the color of their skin, and in some cases because of their religious beliefs.

Try to imagine, for a few minutes, that you are a Negro.

If you apply for a job, the chances of your getting one for which you are qualified are much less than if you had white skin. If you want to buy a home or rent a home, you are restricted by custom and practice to certain sections of a city or county; because of this you must plan on paying an average of 15 percent more for rent or purchase than if your skin were white—and generally you can less afford that extra 15 percent.

What can be done about these problems?

The law cannot provide all of the answers. The legislature, the executive, and the courts are less effective than an informed public, aware of injustices and genuinely interested in doing right. But the three branches of government can help.

The Equal Job Opportunities bill would make it the law of our state that discrimination in employment is illegal because of race, religion, or national background. Illinois is the only major northern industrial state

which does not have such a law. At the present time, if you have a prejudice against pocket handkerchiefs and take away my pocket pocket handkerchief, I can have you thrown into prison. But if you don't like the color of my skin or my religion and take away my opportunity to earn a living, Illinois law now says nothing.

A survey in Illinois a few years ago showed that more than one-fourth of the businesses in the state would not hire Jews. The figure for not employing Negroes was much higher.

It is worth noting that many of the people who complain loudest about so many Negroes being on our relief rolls are the same people who oppose measures which would give them an opportunity to work.

The Freedom of Residence bill would have Illinois join states like Colorado which have a public policy that discrimination in the sale or rental of property is illegal.

If someone would accuse you and me of murder, we would deny it vigorously. But I'm afraid we are guilty in a sense, in that too often we have forced the Negroes, about one-tenth of our population, to live in sub-standard housing areas—and Negroes account for 90 percent of the deaths by fire.

Whether you want to face it or not, the all-white, or all-Protestant, or all-Catholic, or all-gentile communities gradually will have to become a thing of the past. We are going to have to make mottoes like "All men are created equal" and "Love Thy Neighbor" greater realities. This is particularly important in view of our current world struggle against Communism.

If Lincoln were to join the Illinois legislature again these days, I don't think there is much question how he would vote on these two bills. Until we adopt them, we are the "Land of Lincoln" on our license plates, but not in our laws.

### Try This Simple Quizz - It May Save You Dollars

Q:— Are social security benefits taxable?

A:— No.

Q:— Is the tax on cigarettes deductible?

A:— No, not in Illinois.

Q:— What amount of income must a person 65 or over have before he is required to file a return?

A:— A person 65 or over would not be required to file unless his gross income was at least \$1200 for the year.

Q:— Can a full-time student earn over \$600 and still be claimed by his parents as an exemption?

A:— Yes, provided the parents contributed chief support of the child.

Q:— My husband and I received dividends of \$125 and the stock is held jointly. What is the dividend exclusion?

A:— The dividend exclusion is \$100.

Q:— Is the cost of my child's schooling deductible?

A:— No, this is a personal expense and is not deductible.

Q:— Are life insurance proceeds taxable?

A:— Proceeds paid because of the death of the insured are not taxable.

Q:— If my wife earned \$300 on a part-time job and files a separate return, can I claim her on my return?

A:— No. If a wife files a separate return, her husband cannot claim her exemption on his return. To get the full benefit of the wife's \$600 exemption when her income is less than \$600, a joint return must be filed.

Q:— Are state unemployment benefits taxable?

A:— No.

Q:— Are gasoline taxes deductible?

A:— Only the state tax is deductible; not the federal tax. In Illinois the state tax is 5c a gallon.

Q:— Is it true that displaced persons do not have to pay any taxes until they become citizens?

A:— Definitely not. Displaced persons who are residents of the United States are subject to the same tax laws as United States citizens.

Q:— Are dividends of life insurance policies taxable?

A:— No, unless the dividends exceed the cost of the policy; that is, the premiums previously paid.

Q:— My father lives with me but is not a dependent of mine. Am I allowed to claim head of household status?

A:— No, to qualify for head of household status, your father would have to be your dependent.

Q:— Are city and state auto license fees deductible?

A:— Yes, they are deductible as taxes if you itemize your deductions.

Q:— Last year my son, aged 22, earned over \$600 and was not a student. I paid all of his medical expenses and contributed chief sup-

port. May I claim medical expense?

A:— Yes. Even though your son does not qualify as your dependent because he earned over \$600 in computing your medical expense deduction, you may include amounts paid on behalf of your son.

Q:— Last year I had a large medical bill. I couldn't pay all of it in 1960 so I'm paying some this year. How do I deduct for my expenses?

A:— You may deduct only for the medical bills you actually paid in 1960. The amount you pay in 1961 will be deductible on your 1961 return.

Q:— Are contributions to political parties deductible?

A:— No.

Q:— Are benefits paid to veterans attending school under the G. I. bill taxable?

A:— No. Education and training allowances paid to veterans enrolled in school under the G.I. bill are not taxable.

Q:— Are the closing costs on my home which I purchased in 1960 deductible?

A:— No.

Q:— Is there any tax benefit for a blind person?

A:— Yes, a blind person is entitled to two exemptions on his return.

## SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

By State Senator Robert McCleary  
Republican — Lake Bluff, Ill.

Most of the 29 new members of the 72nd Illinois General Assembly don't know much about the functions or operations of the legislative branch of our State Government. Indeed, many of the new members had never seen the General Assembly in session until they, themselves, were sworn in by the Secretary of State.

Representative Noble W. Lee (R., Chicago), who is Dean of John Marshall Law School (when he is not legislating) introduced the idea of indoctrinating "first term" members about 18 years ago. Prior to that time, new members "floundered around" learning by "trial and error" — or not learning at all — about the potential of the office of a member of the Illinois General Assembly.

Today, this is changed. In order to overcome the new members' well-grounded sense of inadequacy, a series of dinner meetings is being held weekly, during these opening weeks of the session. Here the "first termers" are being educated to assume their new responsibilities. Representative Lee gives the historic background and constitutional functions of our General Assembly. He traces the history of our legislative officers as well as the executive and judicial branches of our State government. A foremost authority on government and constitutional law, Representative Lee inculcates in the new members a proper estimate of the vast power which our legislature possesses.

At the "first termers" meetings, opportunity is given to meet Governor Kerner, Secretary of State Carpenter, Lieutenant Governor Sha-

piro, Treasurer Lohman and other officers of the executive branch.

The heads of the various "code departments" appear at another meeting and explain the functions of their agencies. At a later meeting, the new members meet many of the leading lobbyists and learn firsthand the very important role played by these helpful members of the "Third House." Opportunity to meet members of the press, to learn what is news and what is not news, and to hear the aims and objectives of the journalists who report our daily activities is provided. The bill drafting and functions of the Legislative Reference Bureau and the fact-finding functions of the Legislative Council, the two arms of our legislative branch, are explained; and their availability and utility to new members is emphasized.

The rules which govern legislative proceedings are discussed and the new members learn what steps must be taken from the time a "bill" is introduced until that bill "becomes a law."

Aside from the helpful instruction in how to become useful legislators, the meeting series for new members furnishes much information about our representative republican form of government.

Perhaps the most important aspect of these first term meetings is the opportunity provided for the new members to become better acquainted with each other, and to learn to cooperate with each other in the performance of their new and exciting tasks.

Your State Senator is proud to serve on behalf of the Senate at these "first term" meetings. There is no better way to learn than by teaching.

## Car Crash Recently Causes News Trouble

If youse readers have noticed any thing different in the type setting of the paper the last couple of weeks it is due to the following —

Miss Mabel Salles went on a shopping expedition to the wilds of the yon city of Woodstock. (Oh I forgot) she started from a point on the map called Richmond. Well anyway to make a very long story short she she was making for home on a wild stretch of road outside of Wodsock and she became entangled with another vehicle which led to Miss Salles (or is it Sayles) to taking a necessary vacation in a rest home (hospital to you).

One of the fellows here at the shop now has his eye out for another vehicle for Miss Sayles (or is it Salles) when she starts making the run from Richmond to Antioch each day.

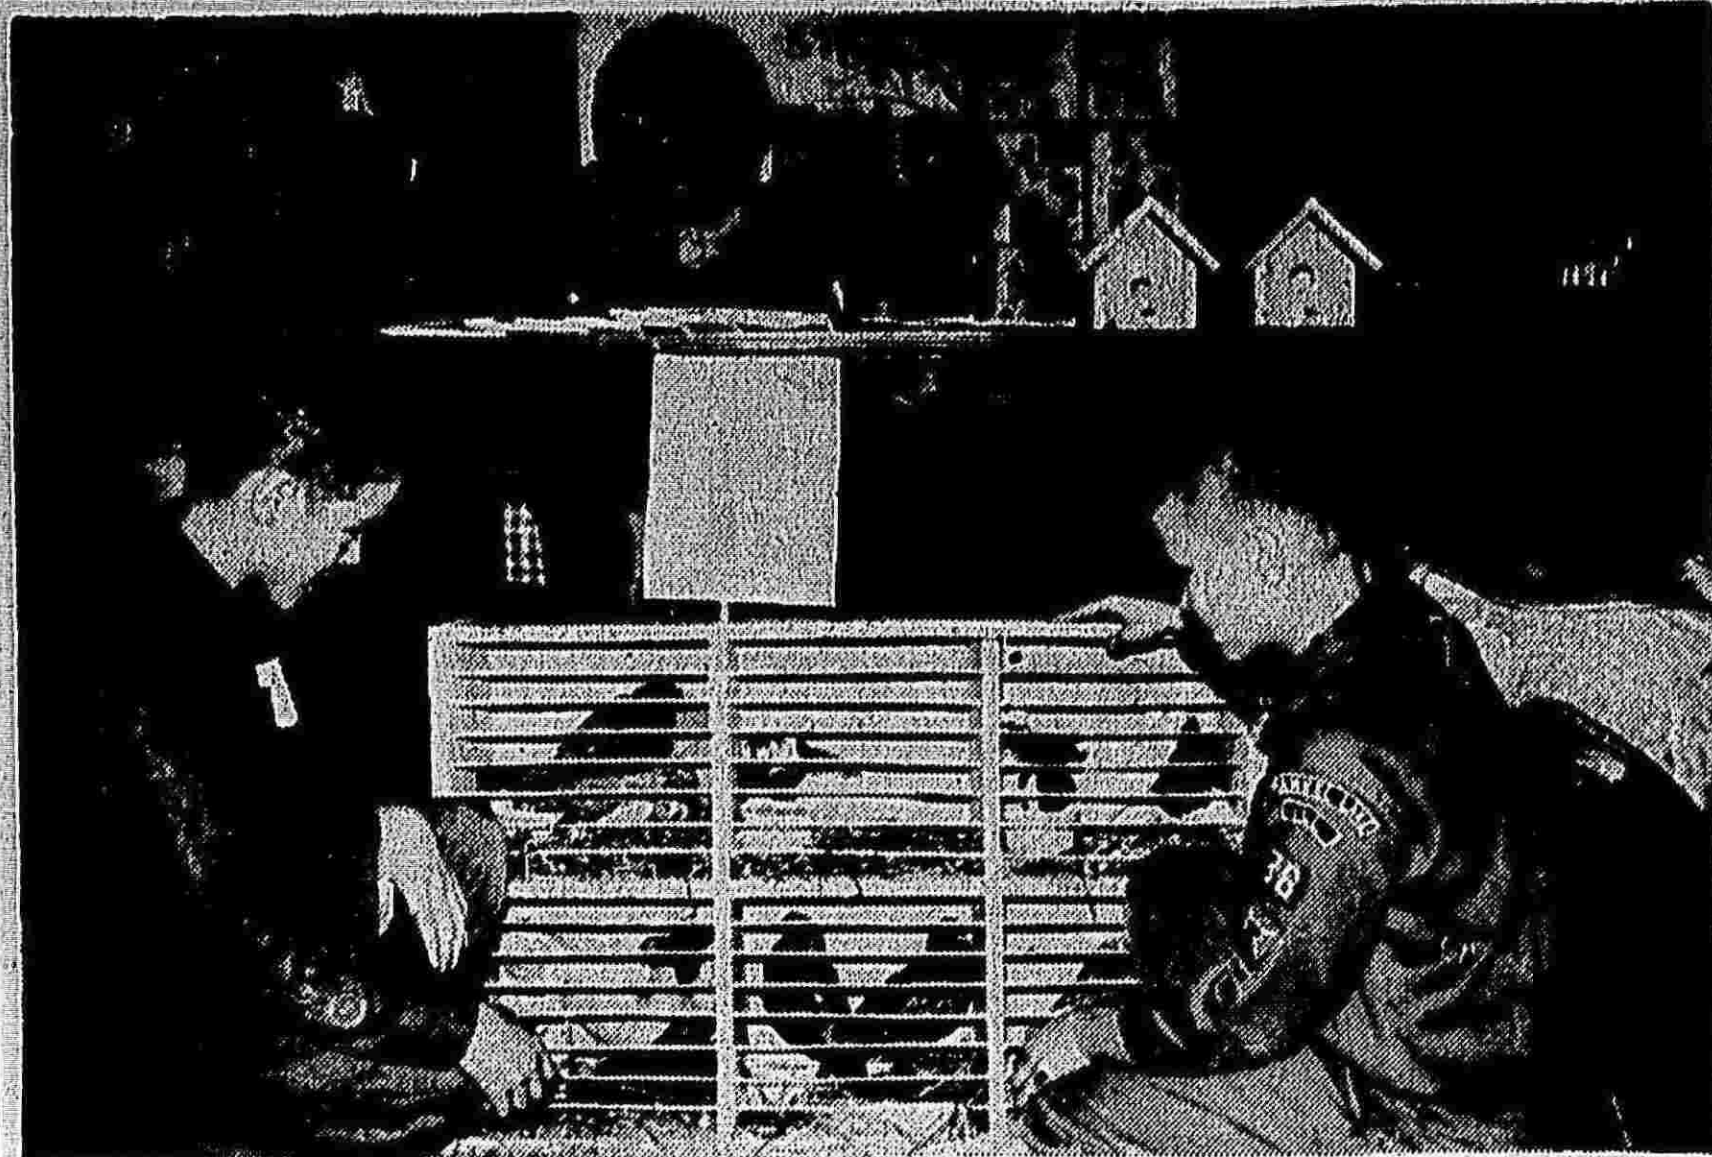

We all hopes she does the hispital thing nice and gets back on the job before long.

As any fool kin plainly see I am not one to take the place on the old trusty linotype away from Mabel. So Long. (Guess who?)

## Sewage Treatment Operators to Meet

The next in a series of conferences for sewage treatment plant operators of Lake County will be held next month.

Program for the session was arranged at a meeting at the Lake Zurich treatment plant, attended by representatives from Lake Zurich, Round Lake, Grayslake and the Lake County Health Department.

TROOP 86, sponsored by Channel Lake Community Club, built their exhibit around bird study for Northwest District's Scout-O-Rama. At right Calvin Tursell, displays his collection of birds while James McCarthy (left) observes. In center is Terry Dowell.

By Mrs. Pearl Kapell

CHANNEL LAKE — Girl Scouts of Troops 85, 110 and 223, held a square dance in the St. Peter's School hall from 6:30-8:30 p.m. Friday night, Feb. 10. The dance was well-attended. Mr. and Mrs. Glen Nettles of Antioch donated their services as callers to teach the girls the intricacies of the dance.

Girl Scouts of Troop 6 are working hard to support the Scout home Group in its upcoming bake sale Feb. 18. The Scout Home Group is a group of people interested in supporting scouting in the Grass Lake area. They have maintained the old Grass Lake school as a Scout home, for all scout groups, and as a gathering place for the young people of the area, for several years. The bake sale will be held at the Ford garage in Antioch.

Twelve Girl Scouts from Troop 6 will serve at the Blue-and-Gold dinner for Cub Scout Pack 80 to be held Sunday, Feb. 19, at the Grass Lake School.

CHANNEL LAKE — Both the Cub Scouts of Pack 86 and the Boy Scouts of Troop 86 had attractive booths at the Scout-o-rama held Saturday, Feb. 11 at the Lake County Fair Grounds.

Cub Scout's booth was "Gifts and Decorations." The boys displayed many of the handicraft items they make. One feature was pictures made up of various food items.

Boy Scouts had "Bird Study" as their theme. Besides three stuffed birds, and numerous pictures of birds, the boys had some live pigeons in their display—a drawing card for all youngsters who attended. Scouts spent the time in the booth working on bird houses.

The Women's Auxiliary of Troop 86 will hold a bake sale on Saturday, Feb. 25, at the Ford Garage in Antioch. Yeast breads and pies will be featured, though there will also be several cakes. Anyone wishing to donate baked goods may call Mrs. Russell Roepenack. The Women's Auxiliary of Troop 86 will hold its regular meeting on February 22 at the Channel Lake school.

## Methodists To Join In World Day Of Prayer

The Methodist churches of Lake Villa and Ingleside will join with the Antioch Methodist Church, in combined meeting in the Antioch church at 1 p.m. Friday, in observance of the World Day of Prayer.

## Three-Phase Water Safety Course Opens

Applications are being accepted for the Red Cross senior life saving course which began last week at the East Campus pool of the Waukegan Township High School. Persons interested in being certified as senior life savers may still enroll by contacting Red Cross headquarters, 308 Julian St., Waukegan. Applicants must be at least 16 years of age and have better than average swimming ability.

In announcing the classes, Norman Litz, chairman of the program said, "The senior life saving course is part of a three phase program designed to increase water safety practices in Lake County."

Part two of the program will be a water safety instructors course available to certified senior life savers and is designed to qualify personnel to teach swimming and water safety classes.

The third phase of the water safety program will be a life guard clinic to give specialized training to professional persons responsible for water safety at pools, beaches, and water fronts.

According to Chief Litz, "The three phase program will greatly increase Red Cross water safety cap-

abilities in Lake County. The object of the chapter's water safety program is to promote safety in, on, or about water. It provides outlets for skills learned, and contributes to wide spread opportunities for healthful and safe recreation."

The Lake County Red Cross conducts the second largest water safety program in the 16 state mid-western area. During 1960, Red Cross volunteer instructors held 737 water safety classes and issued 27,425 water safety certificates. Courses offered included: beginners, intermediate, and swimmers swimming classes; as well as junior and senior life saving, basic survival, water safety aide, and advanced swimmer classes.

Red Cross water safety instructors in Antioch are: Janet Allen, Elaine M. Christensen, Carol A. Hansen, Patricia Keulman, Charlotte A. Queen, Gwenn C. Royer, and Winifred Sorensen.

## Educators To Discuss Soviet Education At Public Meeting

A former Columbia University professor, one of the country's foremost experts on the Soviet education system, will be on the Northwestern University Evanston campus to present a lecture and conduct a seminar Thursday and Friday.

Sponsored by the School of Education, Dr. George Counts will speak on "What Can We Really Learn from Soviet Education" at the Technological Institute auditorium, Sheridan Rd. and Noyes St., at 8:00 p.m., Thursday. The public is invited to attend.

Dr. Counts will conduct a special seminar with University faculty members on Friday, Feb. 17, from 9 a.m. to 12 noon at the John Evans Center, 1800 Sheridan Rd. The press is welcome to attend.

At the seminar Dr. Counts will

discuss implications of Soviet education, the relationship of American education to education in other parts of the world, and other issues and problems of current interest.

## Specialists to Brief Public on Elm Disease

Control of Dutch Elm disease will be discussed at a special meeting Bureau building on the Lake County Fair Grounds, beginning at 1 p.m.

On hand to outline remedies to the problem—a serious one in Lake County—will be T. W. Curtin and Dan Neely, University of Illinois specialists.

Farm Adviser Ray T. Nicholas says the meeting, which is open to the public, will offer an opportunity for all interested persons to have their questions answered.

Bi-State League

Thursday, February 9, 1961

The heated flag race in our league is still going on with Kirchmeyer Construction and Dalgard's IGA in and out of first place since the first of the year. Mason shoes, who is now tied for second, rose up and smacked Kirchmeyer's two games. Emerging as the top solo scorer of this match was Irv Kerosan with 635, with Ken Kirchmeyer second with 569. Dalgard's IGA also ran into a road block when Vos Construction cracked 2733, led by Loren

THIS SCENE, Women at the well, is from the full-color motion picture, "Return to Nazareth," to be shown Sunday at Lake Villa Community Methodist Church. Sunday's film is one of 12 portraying the life and times of Christ, being shown by the church.

## Seventh Episode in Life of Christ Films Series Scheduled for Sunday

Familiar incidents in the life of Christ are dramatized in full color in the motion picture, "Return to Nazareth," to be shown Sunday, Feb. 19, at 3:30 p.m. and 7:30 p.m. in the Lake Villa Community Methodist Church.

According to the Rev. Gerald Robinson, pastor of the sponsoring church, the film portrays the wedding feast at which Jesus changes water to wine; His ejection from the synagogue as He declares that the prophecy of Isaiah has been fulfilled, and His meeting with the Samaritan woman by the well.

These and other events are reverently, accurately and dramatically portrayed in this motion picture, the Rev. Robinson announced. "The series which is now running is giving many people a new and vivid impression of the greatest story ever told," he said.

The Rev. Raymond Lord, pastor of the United Protestant Church in Grayslake, will elaborate on the cultural background of the times in connection with the film.

"Return to Nazareth" is the seventh in a 12-episode series on the life of Christ being shown at the Lake Villa church. The series started Jan. 8 and will run through Mar. 26.

The series is reported to be the

most complete and authentic ever filmed on the life and times of Christ and consists of more than 200 speaking parts.

The showings are open to the public.

## Coldest Day Equals Record Gas Sendout

NI-Gas established a new gas send-out record of 886 million cubic feet on December 22 — the coldest day in about ten years.

In addition to the frigid temperatures, the great send-out was caused by the use of gas for heating by about 77,000 more customers than a year ago.

The new record easily surpassed the previous high of 630 million cubic feet of January 5, 1960. It was more than four times the maximum send-out of ten years ago.

### Miss Marian Stowe, Robert Johnson Wed in Double-Ring Ceremony

Miss Marion Louise Stowe, formerly of Lake Villa, and Robert Allen Johnson, Downers Grove, Ill., were united in 7 o'clock ceremonies Feb. 4 in St. Ignatius Episcopal Church, Antioch.

The bride is the daughter of Mr. and Mrs. Donald Stowe of Lake Villa; the groom is the son of Mr. and Mrs. John Johnson of Downers Grove.

For the double-ring ceremony performed by the Rev. Fr. Edmond E. Hood, the bride wore a chiffon velvet gown styled with a trapunto round neckline and long-tapered sleeves. Tiny folds highlighted the bell type skirt and the train was chapel length sweep. She carried white Amazon lilies and stephanotis. Her father gave her in marriage.

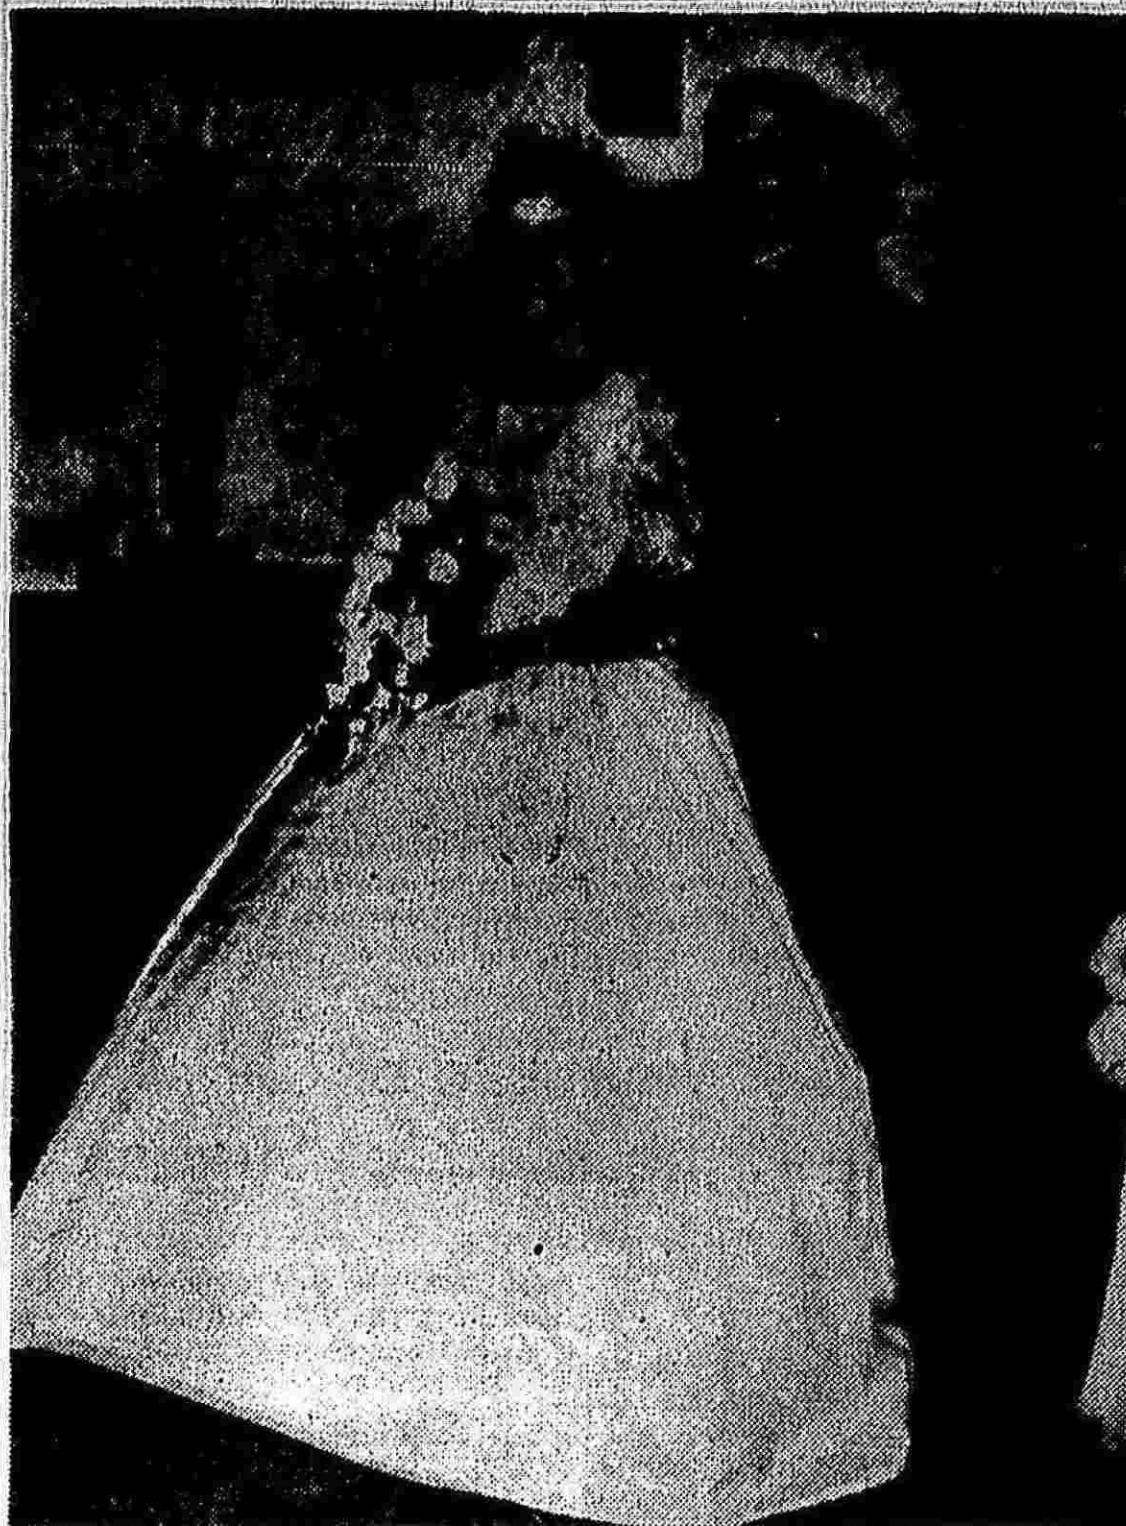

She was attended by Marlene Bashing, maid of honor, and Marlene Losee, bridesmaid. The maid

of honor and bridesmaid were dressed in matching gowns of jade green sheath of silk organza over satin. They carried white carnations matching their ivy headpieces of white carnations.

Serving the groom were Warren Castalocio, best man, with the bride's brother, Allan Stowe, and the groom's brother, Edward Johnson, serving as ushers.

The bride is a graduate of Antioch Township High School and attended the University of Illinois. She is employed at Thermo-Fax Co., Chicago. The groom attended Richmond High School in Indiana and is a graduate of Purdue University. He is employed at International Harvester Co., Hinsdale.

Following a reception at the Parish Hall the couple left for a honeymoon in northern Wisconsin. They are now at home in Downers Grove.

Lt. and Mrs. Kenneth Larson

Installed were: Harriet Wells, Faith; Lorraine Gibbons, Recorder;

If you want to sell — phone 43 or 44 and tell.

and Joan Wagner, Treasurer.

Installing officer was Virginia Carter, Libertyville. Ceremonies were conducted in Wesley Hall.

### Miss Janet Rogers and Marine Lieut. Kenneth Larson Married in McHenry

Miss Janet Gretchen Rogers has exchanged her books and campus life at the University of Illinois for a career as an officer's wife at a Marine Corps base.

Zion Lutheran Church of McHenry was the scene Feb. 4 of the marriage of Miss Janet Gretchen Rogers of Antioch to Lt. Kenneth Paul Larson, communications officer in the Marine Corps.

The bride is the daughter of Mr. and Mrs. Harry F. Rogers, Bluff Lake, Ill. 2, Antioch, the groom is the son of Mrs. Esther Larson and the late Guy L. Larson of Ames, Ia.

For the double-ring ceremony, the bride wore a gown of white silk organza and re-embroidered alencon lace. The lovely gown had a tucked front and chapel length train of unpressed pleats. The bodice had a scalloped square neckline and bracelet length sleeves. A crown of crystal loops held a bouffant veil. She carried a colonial style bouquet of white roses and tiny red buds.

The matron of honor was Mrs. Patricia Wagner of Antioch, and bridesmaids were Miss Gail Kudsenda, Willow Springs, Ill., and Miss Francis Swartz, Columbia, Ill., sorority sisters of the bride. These attendants wore matching gowns of white silk organza fashioned in princess line with bodices of scoop neckline and bracelet length sleeves. Of ballerina length, the skirts had loose bands of organza caught in scallops by organza rosettes. Each wore a half hat of satin leaves and feathers holding a circular veil and carried a bouquet of deep red roses.

Groomsmen for Lt. Larson were Richard Jones, Champaign, Ill., Tom Emmerson, Ames, Ia., and Richard Haimbaugh of Marengo, Ill.

Following the 6 o'clock ceremony,

a wedding reception was held at McHenry County Club for 200 guests. In charge of the guest book was Mrs. Judy Gossman, Antioch, Miss Marion Stuenkel, Hinsdale, Ill., cut the wedding cake.

The bride graduated this month from the University of Illinois where she majored in Spanish and Portuguese. She is a member of Alpha Xi Delta Sorority.

The groom, a 1960 graduate of the University of Illinois with a degree in architectural design, is now a communications officer at Camp Pendleton, where he is on duty as a lieutenant.

The young couple are honeymooning in Quantico, Va., and will be at home in Camp Pendleton after March 1.

### Marks 80th Birthday Visiting in Antioch

Mrs. R. F. Benser of Volo, S.D., currently visiting her daughter, Mrs. M. M. Stillson, 1049 Spafford St., Antioch, celebrated her 80th birthday Feb. 9.

She marked the occasion with cards, gifts and well wishes from friends, including her daughters in South Dakota and California. Birthday greetings were also received from relatives in Norway and Germany.

Five of the many cards received were signed by groups of friends, one containing more than 20 names.

### ASK FOR MONEY

A young man applying for a police job in London, England, was asked what he'd do to break up a hostile crowd. "Take up a collection," he replied.

### Director Briefs Oakland PTA on Special Education

The training of handicapped and retarded children under a special education program in the area was outlined here last week by the program's director L. D. Vuilleumot, before members of the Oakland PTA.

The types of training for the hard of hearing, seeing, mentally retarded-physically handicapped was discussed by Vuilleumot. He discussed the role of the school, the parent and the child in promoting a wider understanding and appreciation of the work being done in special education programs.

Vuilleumot's discussion of the educational program closed in an open meeting during which parents directed questions covering students, classes, locations, funds and future plans.

The guest speaker was introduced by Robert Chanler, vice president.

During following business sessions, Leylon Ipsen, ways and means chairman, announced plans for a combined book fair-open house-spaghetti dinner, April 10, in the grade school gym. The affair, one of the PTA's fund-raising efforts, will begin at 5:30 p.m. on that date.

The next meeting of the group will be held Monday, March 6, during which John Noll, Waukegan attorney and world traveler, will give film-commentary on his recent visit to Russia.

Refreshments for the meeting were served by Mrs. George Derdarian, third grade room mother, assisted by Mrs. N. Gilio, Mrs. Roy Truelsen and Mrs. Jon Cullen.

## Cabbage Is A Wise Choice For Meals

New green cabbage is a worthy choice for winter menus. At a modest price, this vegetable can add variety and color to meals as well as supply vitamin C and roughage.

Geraldine Acker, University of Illinois foods and nutrition specialist points out that the vitamin C content varies with the variety of cabbage, the season of the year in which it is grown and the part of the head that is used, as well as with storage and preparation methods.

Cabbage retains its vitamin C during storage better than most other leafy vegetables. The greener leaves contain the most vitamin C. Therefore, smaller heads tend to contain more vitamin than larger heads because they have a higher proportion of green leaves.

Storing cabbage well wrapped in the refrigerator helps to keep it crisp and maintain the vitamin content. Waxed paper, plastic film wrap, or a heavy brown paper bag or plastic bag may be used for wrapping.

Since raw cabbage is usually shredded for salads, the best way to save the vitamin C is to use a sharp knife of the French type, as it will cut without bruising the pieces.

It is also best to cut cabbage and blend it with other salad ingredients just before serving time. However, storage in the refrigerator during the waiting time helps to retain the vitamin content. The dressing, too, helps to hold the vitamins.

Cabbage cooked quickly and served promptly provides about the same amount of vitamin C as in the raw form. Little water and short cooking time are important because vitamin C is soluble in water and is destroyed by heat.

## News of Crooked Lake Oaks

**By Bernardine Long**  
**CROOKED LAKE OAKS** — Well, we finally got our snow—the children with their toboggans and sleds couldn't be happier, but us grown-ups, I think we could have done just as well without it, especially those who have to drive to work.

The officers of the Improvement Association would like to remind all residents of Crooked Lake Oaks that now is the time to pay your 1961 snowplowing dues. The dues are \$5 and can be paid to either Neal Long, president, or Eileen Stann, secretary-treasurer.

Frank Splichal and Howard and Eileen Stann represented Crooked Lake Oaks at the quarterly meeting of the Lake County Federation of Improvement Associations on Sunday, Jan. 29 at Grant Township Hall, Ingleside. Many matters were discussed. There was also a talk by Elmer Barnes explaining Illinois tax laws and the remedies open to those who find themselves unfairly taxed. A copy of his talk will be read at the general meeting of the Crooked Lake Oaks Improvement Association in May.

That was Mrs. Albert (Colleen) Fuller with her little boy, Jimmy, 3½, who staged a one-woman campaign in our Subdivision on Tuesday, Jan. 31 for the March of Dimes Fund. Colleen, although tired and cold when she finished late that afternoon, said she was happy to have helped a most worthy cause. She collected \$21.57 and thanked all for their contributions.

Get-well wishes go to little Marsha and Jeffrey Kroepin, Elm St., who are home sick with the chicken pox. Best wishes for a speedy recovery to their mother, Mrs. George (Rita) Kroepin, Jr., for not only is she taking care of the children but she also has come down with the chicken pox.

Mr. and Mrs. Robert (Norma) Garvin, Elm St., drove down to Nashville Tenn., recently for a few days to visit Mrs. Garvin's sister, Eva and her family, Mr. and Mrs. Gilbert Erickson. They were sorry they didn't have time to visit Mrs. William (Anice) Seifert, also of Crooked Lake Oaks, who is recuperating at the Midwest Baptist hospital in Nashville after an accident Jan. 21 on her way to Decherd, Tenn. Mrs. Seifert suffered a broken arm, leg and cheek bone in the accident.

A welcome to Bill Garraughty, who has just moved into his mother's home on Birch St., with intentions of living there year around. Bill was born and raised in this vicinity and lived on Edgewood and Deep Lake Road when his mother owned Sally's Inn from 1945 to 1955. Bill graduated from Antioch High School in 1952 and now works at the Walgreen Drug Store in Waukegan.

Judy Fath, daughter of Mr. and Mrs. John Fath, Lake Ave., a student at Northern Illinois University at DeKalb, was home between semesters.

Frank Splichal, Birch St., is a candidate for the office of Assistant Supervisor of Lake Villa Township on the People's Party ticket, headed by Julia Chonis for supervisor.

The next meeting of the Ladies' Auxiliary will be held at the home of Eileen Stann, Birch St., Thursday, Feb. 16 at 8 p.m. After the meeting Margaret McNeil will give a demonstration on flower arranging. Mrs. McNeil is a member of the Homemaker's Bureau and has taught flower arranging for many years to 4-H groups in the area. She has also given demonstrations for church and P.T.A. groups.

Anyone who has old jewelry that can be donated for the rummage sale for the benefit of the Country-side Hospital Fund, can leave it at the home of Bernardine Long, Linden and Walnut, as soon as possible. All the jewelry will be cleaned and polished before it will be displayed at the rummage sale on March 10-11.

## Shepherd's Clinic Scheduled Friday

The winter Shepherd's Clinic for Southeastern Wisconsin Sheep producers will be held at the Equity Auction Market at Johnson Creek, Wis., Feb. 17, beginning at 10:30 a.m.

The program will feature live animals, demonstrations and talks on sheep and lambs, according to Paul G. Jaeger, Kenosha County Agricultural Agent.

The morning session will begin with a discussion on the 1960 Lamb Pool summary by Stan Langhoff, the Equity Lamb Grader. "Housing for Sheep" and "Work Saving Equipment" will be discussed by Ted Brevik of the University of Wisconsin Agricultural Engineering Department, and a representative of the Wisconsin Wool Growers' will discuss the wool situation.

The afternoon session will begin with a discussion of "Pellet Feeding of Lambs" and "Ewe Management" by Fred Gleaser of the University of Wisconsin Animal Husbandry Dept.; Bill Rogan, Waukesha county agent, will point out where pellets are available in the area.

"Which Ewe Is Your Best Producer?" will be subject of Verne Felts, also of the University of Wisconsin Animal Husbandry Dept. Glen Pulver, Agricultural Economist, will provide information on the "Comparative Economics" to consider in choosing a livestock enterprise. The control of parasites and diseases will be the subject of Dr. C. W. Burch of the University of Wisconsin Veterinary Science Department.

## 4-H Club Photography Schools Scheduled

The first in a series of four meetings for 4-H club members enrolled in the 4-H club photography project will be held at the Farm Bureau Auditorium Thursday evening, Feb. 23. The meeting will start at 7:30 p.m., and will be in charge of Ray T. Nicholas, farm adviser. At this first meeting the adviser will explain the requirements of the three different units of the photography project, and show motion pictures and slides on using and adjusting the camera and taking pictures.

Other sessions, to be held on March 23, April 20 and 27, will provide information on taking pictures with flash and flood, developing negatives and making contact prints and enlargements.

Members who enroll in the school will have an opportunity to take pictures with flood lights and to develop their negatives and make contact prints and enlargements. The results of their picture taking activity will be displayed at the Lake County Fair and 4-H Club Show July 26-30.

Last year the enrollments in the photography project led all others with a total of 70 boys and girls participating.

The photography project is one of the many projects that city and town youth may carry in the 4-H program. Further information regarding this, or any other project, can be obtained from the office of farm adviser, Ray T. Nicholas, Grayslake.

## Internal Revenue Gears to Speed '60 Tax Refunds

Mortimer M. Caplin, the new U.S. Commissioner of Internal Revenue, announced that tax refunds would be paid out as rapidly as possible to stimulate the nation's economy.

Harold R. All, district director of Internal Revenue for the Chicago area, announced today that his office is prepared to handle refunds promptly. All further stated that in 1961 more than \$183,000,000 will be refunded to about 1,600,000 taxpayers in the Chicago District of Internal Revenue. He said that normally refund returns filed now will be processed and paid in about 6 weeks. However, refunds to approximately 80,000 taxpayers will require an audit before payment and, therefore, cannot be issued within five weeks. Taxpayers involved will be notified by mail that their return will be audited.

Returns requiring an audit are those that involve problems such as:

- 1— Failure to properly itemize deductions claimed;
  - 2— Claiming expenditures as deductions which are not allowable; and
  - 3— Questionable or improper exemptions claimed by the taxpayer.
- Other common errors that slow down processing and delay refunds are:
- 1— Failure to sign return. (Both husband and wife must sign a joint return.)
  - 2— Failure to indicate complete

## Vegetable Growers To Meet February 23

The Racine-Kenosha area Vegetable Growers Meeting will be held at the Mt. Pleasant townhall, located on the corner of Highways 11 and 31 in Racine County, on Thursday, Feb. 23, beginning at 9:30 a.m.

Weed and disease control will highlight the morning session. John Schoenemann, University of Wisconsin Horticulture Specialist, will speak on "Keeping Up-to-Date in Chemical Weed Control," and "A Report on Blight, Mold and Rot Type Vegetable Disease Problems" will be presented by Earl Wade, University of Wisconsin Plant Pathologist.

Fertilization, insect control and market outlook will be brought to the growers attention in the afternoon session.

Jack Hammes, University of Wisconsin Soils Department, will speak on: "Secondary and Trace Element Fertilization of Vegetable Crops." Schoenemann will present outlook information for vegetable and potato growers, and current insect control recommendations will be discussed by entomologist, Jack Wright.

Growers unable to attend the Racine meeting can attend a similar program at the Milwaukee County Extension office at 9:30 a.m. on Wednesday, Feb. 22, or an evening program at the Mukwanago High School in Waukesha County on Tuesday evening, Feb. 21.

# Annual Bowling Tourney Opens Saturday

## Top Keglers Head All-Star Entry List

Top male bowlers of northern Illinois and southern Wisconsin will converge here Saturday morning for the opening of the 16th annual Antioch men's singles tournament at the Antioch Bowl.

Competition opens at 10 a.m. in the tourney, which runs until Sunday, March 4 at 5 p.m. Play is on weekends only.

About \$5,000 in cash prizes plus a trophy for the individual class winner will be awarded.

Last season, a total of 1,881 keggers entered the tourney, with Gordon Wallenburg of Butler, Wis., copping a top prize of \$500 and the trophy. Runnerup was a Kenosha, Larry Ogren, who walked off with \$300 in prize money.

This year, more than 1,200 already have signed up as contestants. Among the big names are Paul Krumms, Bill Bunetta, Bud Schabley, Carl Berger, Morrie Openheim, Otto Neihus and Leo "Gabby" Hartnett.

The tournament will be an ABC sanctioned playoff, approved by the Northwest Bowling Proprietor's Association.

At least one out of every 10 entries will collect a prize, according to tournament secretary Joe Sterbenz, Jr. Entries are to be filed with him or with Jack Sampayo or Mike Schamberger, proprietors of the Antioch Bowl.

Heading up Antioch's representation last year was Roger Strattan, who snared 10th place with scores of 181-717 and won prize money of \$68. Don Coombs of Antioch was another high man, placing 12th with scores of 183-708 and pocketing \$58.

## A Little Confidence, A Bit Of Skill And Lots Of Luck

By Mrs. Pearl Kapell

One of the thrills of a bowler's life was achieved by Myrtle Sampayo last week when she scattered the pins for her first 600 series in league play.

Myrtle rolled her 600 series in the Tuesday night Tenpin Toppler's League Feb. 7. Myrtle, who has had several 599's was recently heard to say that she'd never hit 600. Now she says she'll never hit 700, so watch out, Major Leaguers.

Myrtle rolled another unusual game a couple of weeks ago, for which she gets a patch — 10 frames of straight spares, with a strike in the 11th frame. The game can't total over 185 or be achieved by a bowler with more than a 165 average to merit a patch. The patch and \$100 prize, is awarded by a shirt company if the bowler is wearing their brand shirt when the game is bowled.

## Chieftain A's Lose; B Squad Takes 2 Games

By Mrs. Pearl Kapell

CHANNEL LAKE — The "A" team of the Channel Lake Chieftains was defeated by Gavin, 29-19, Wednesday, Feb. 8. The "B" squad, however, upheld honors by trouncing the Gavin "B" squad, 27-7. Coach Howard Scott said all the boys on the "B" squad played well, with Rickey Cooper, John Bjork, Bill Loeper and Bill Berger doing outstanding jobs. The "B" team has won three of its last four games. The teams will play their next game at Johnsburg on Friday.

## Sequoits Mark Parents' Night Against Warren

Parents of Antioch Township High School varsity basketball players will be honored at Friday night's game here with Warren at the annual Parent's Night.

Spectators are virtually assured of a topnotch basketball game judging by past standards. Antioch, suffering one of its toughest seasons in years with 1 win against 11 losses has played its best ball against the top conference teams, invariably saving its off nights for teams of lower standings.

This reverse psychology, in part, accounts for the team's poor record. If Antioch continued to play the type of ball displayed last Friday when they were nudged by Grant 53-47, odds would be somewhat near even that they could finish the season undefeated in remaining games.

But it seems the Sequoits play their best against the tougher teams and taper off on the lower ranking opponents as witness Saturday's outing against Round Lake, when the squad could do nothing right.

On the contrary, Grant seemed disposed to take Antioch for granted last weekend and was lucky to come off with a six-point win. On the face of it, Grant could have the best team in the Northwest Suburban Conference. But it seems destined to lose the conference championship by two points, both the result of one-point losses to Warren.

On the other hand, Warren has managed to take all 12 of its Conference matches, mainly through terrific desire and the ability to come through in the clutch. This could be why Grant has fallen twice by the wayside.

Meanwhile, parents are assured of an outstanding ball game Friday here against Warren, the season's last home stand for the Sequoits.

## Frosh Notch Double Win; 13-1 Record

Antioch High's soaring freshmen cage squad continued its march toward an unbeaten conference record with double wins this week to bring their season's mark to 13-1 in 14 games. Lone defeat was at the hands of Zion, 49-39, at Zion, where the hosts gained revenge for an earlier 39-34 defeat at the hands of the Sequoits.

The yearling Sequoits virtually hogtied Grant's freshmen Saturday by a whopping 54-19 score and turned on the heat again Monday in downing Round Lake 68-44.

Lear and Nicholice paced Antioch in Saturday's game with 19 and 10 points, respectively, while Jess Gates, with 17 points, led Sequoit freshmen against Round Lake.

Nicholice's consistent accuracy on the hardwood makes him the squad's top scorer with 202 points. Following are Lear, 159, Gates, 128, Fisher, 101 and Hagen, 38.

Ed Mateska has carved out a spot in the starting lineup by his outstanding play.

## Sequoits Hit by Grant, R. Lake

### Rally Short Of Win; Free Throws Hurt

Antioch's winless Sequoits threw a mighty fear into the second-place Bulldogs at Ingleside Friday with a spirited four-period rally, but were unable to close the gap, suffering their 10th defeat in conference play, 53-47.

Out for blood the following night, the Sequoits tore into Round Lake on the home court to the tune of 32 personals in a wild, whistle-blowing contest that saw them come out on the short end of the count 59-47.

The Grant Bulldogs took over immediately after the starting whistle Friday, jumping out to a 12-9 first quarter lead which they extended to 26-19 at the half. They stretched the margin to 40-31 by the end of the third and seemed to have things their own way.

The aroused Sequoits had other ideas, however, and moved into the fourth with an early scoring binge that brought them to within two points of the Bulldogs before their hosts could hit paydirt.

From then on in it was anyone's ball game with the score favoring Grant 49-47 with less than 90 seconds to go. Six points by each squad kept them neck and neck until Grant took over control of the ball and sunk two to take the decision.

The Sequoits, plagued by position problems and inaccuracy from the floor all season, found Friday's encounter no exception when they were outbounded 50-29 under the boards and were able to sink but 20 of 69 shots for a failing .290 percentage.

Big guns for Grant were high-scoring Haerle with 16 and Howard with 14. Les Herbst, Brian Elliott and Brian Palenske paced Antioch with 10 each.

## Sophs Come Off Mat, Take 2 on Weekend

Coach Roger Andrew's Sequoit sophs stayed hot on the trail of Lake Forest in the close sophomore race by chalking up two victories last weekend, 55-45, over Grant on Friday and a close 47-46 win over Round Lake the next evening.

Warren's sophomores, taken up with the winning ways of their league-leading varsity, also captured two wins to remain in a second place tie with Antioch. Both held 9-3 records.

Big guns for Antioch were Kubicki 11, Brownlee 13, Hallwas 12, and Lang 11. Hallwas helped the cause by picking off 19 rebounds and Lang assisted him under the baskets with 8.

Saturday night's sophomore clash between Antioch and Round Lake was a cliff hanger and Antioch is still catching its breath. Down 10 points with 2½ minutes to go, the junior Sequoits put on a razzle-dazzle of speed and press to hold Round Lake to 2 points while collecting 13, and that was it. Kubicki hit for 3 buckets in the last two minutes and Brownlee contributed 2 baskets and 2 free throws to pull the game out of hock.

Smarting from their tough loss the previous night, Antioch's Sequoits chopped Round Lake's Panthers with 32 personals, the season's high, and enough to allow the visitors to walk off with a 59-47 win.

The loss was Antioch's 11th in 12 conference games and allowed Round Lake to snap a three-game losing streak. The Panther's victory gives them a 5-7 record for the season and places them in a fourth place deadlock with Grayslake.

Round Lake jumped off to a 12-8 first-period lead which was stretched to 30-20 at halftime. The visitors stayed out in front throughout the third period, leading 44-36 at the start of the fourth. Antioch closed to within four points on baskets by Bud Dittman and Pat Sheehan to make the score 45-41 midway in the fourth. But the Panthers stepped out on a scoring streak of eight straight points to stretch their lead, 57-43.

Both teams were off on accuracy, with Antioch posting .254 percentage from the field by sinking 17, while Round Lake did little better

## SPIDERS.....

When Mark Twain was editing a newspaper in Mississippi, he received a letter from a reader who complained that he had found a spider in his paper. He wanted to know what it meant.

Twain replied . . . . .

"Dear Subscriber: finding a spider in your paper was neither good luck nor bad luck. The spider was merely looking to see what merchant did not advertise, so he could go to the store, spin his web over the door and live a life of undisturbed peace."

# Annual Bowling Tourney Opens Saturday

## Top Keglars Head All-Star Entry List

Top male bowlers of northern Illinois and southern Wisconsin will converge here Saturday morning for the opening of the 16th annual Antioch men's singles tournament at the Antioch Bowl.

Competition opens at 10 a.m. in the tourney, which runs until Sunday, March 4 at 5 p.m. Play is on weekends only.

About \$5,000 in cash prizes plus a trophy for the individual class winner will be awarded.

Last season, a total of 1,881 keglars entered the tourney, with Gordon Wallenburg of Butler, Wis., copping a top prize of \$500 and the trophy. Runnerup was a Kenosha, Larry Ogren, who walked off with \$300 in prize money.

This year, more than 1,200 already have signed up as contestants. Among the big names are Paul Krumke, Bill Bunetta, Bud Schaibley, Carl Berger, Morrie Openheim, Otto Neihus and Leo "Gabby" Hartnett.

The tournament will be an ABC sanctioned playoff, approved by the Northwest Bowling Proprietors' Association.

At least one out of every 10 entries will collect a prize, according to tournament secretary Joe Sterbenz, Jr. Entries are to be filed with him or with Jack Sampayo or Mike Schamberger, proprietors of the Antioch Bowl.

Heading up Antioch's representation last year was Roger Strattan, who snared 10th place with scores of 181-717 and won prize money of \$68. Don Coombs of Antioch was another high man, placing 12th with scores of 183-708 and pocketing \$58.

## A Little Confidence, A Bit Of Skill And Lots Of Luck

By Mrs. Pearl Kapell

One of the thrills of a bowler's life was achieved by Myrtle Sampayo last week when she scattered the pins for her first 600 series in league play.

Myrtle rolled her 609 series in the Tuesday night Tenpin Toppler's League Feb. 7. Myrtle, who has had several 599's was recently heard to say that she'd never hit 600. Now she says she'll never hit 700, so watch out, Major Leaguers.

Myrtle rolled another unusual game a couple of weeks ago, for which she gets a patch — 10 frames of straight spares, with a strike in the 11th frame. The game can't total over 185 or be achieved by a bowler with more than a 165 average to merit a patch. The patch and \$100 prize, is awarded by a shirt company if the bowler is wearing their brand shirt when the game is bowled.

## Chieftain A's Lose; B Squad Takes 2 Games

By Mrs. Pearl Kapell

CHANNEL LAKE — The "A" team of the Channel Lake Chieftains was defeated by Gavin, 29-19, Wednesday, Feb. 8. The "B" squad, however, upheld honors by trouncing the Gavin "B" squad, 27-7. Coach Howard Scott said all the boys on the "B" squad played well, with Rickey Cooper, John Bjork, Bill Loeper and Bill Berger doing outstanding jobs. The "B" team has won three of its last four games. The teams will play their next game at Johnsburg on Friday.

## Sequoits Mark Parents' Night Against Warren

Parents of Antioch Township High School varsity basketball players will be honored at Friday night's game here with Warren at the annual Parent's Night.

Spectators are virtually assured of a topnotch basketball game judging by past standards. Antioch, suffering one of its toughest seasons in years with 1 win against 11 losses has played its best ball against the top conference teams, invariably saving its off nights for teams of lower standings.

This reverse psychology, in part, accounts for the team's poor record. If Antioch continued to play the type of ball displayed last Friday when they were nudged by Grant 53-47, odds would be somewhat near even that they could finish the season undefeated in remaining games.

But it seems the Sequoits play their best against the tougher teams and taper off on the lower ranking opponents as witness Saturday's outing against Round Lake, when the squad could do nothing right.

On the contrary, Grant seemed disposed to take Antioch for granted last weekend and was lucky to come off with a six-point win. On the face of it, Grant could have the best team in the Northwest Suburban Conference. But it seems destined to lose the conference championship by two points, both the result of one-point losses to Warren.

On the other hand, Warren has managed to take all 12 of its conference matches, mainly through terrific desire and the ability to come through in the clutch. This could be why Grant has fallen twice by the wayside.

Meanwhile, parents are assured of an outstanding ball game Friday here against Warren, the season's last home stand for the Sequoits.

## Frosh Notch Double Win; 13-1 Record

Antioch High's soaring freshmen cage squad continued its march toward an unbeaten conference record with double wins this week to bring their season's mark to 13-1 in 14 games. Lone defeat was at the hands of Zion, 49-39, at Zion, where the hosts gained revenge for an earlier 39-34 defeat at the hands of the Sequoits.

The yearling Sequoits virtually hogtied Grant's freshmen Saturday by a whopping 54-19 score and turned on the heat again Monday in downing Round Lake 68-44.

Lear and Nicholli paced Antioch in Saturday's game with 19 and 10 points, respectively, while Jess Gates, with 17 points, led Sequoit freshmen against Round Lake.

Nicholli's consistent accuracy on the hardwood makes him the squad's top scorer with 202 points. Following are Lear, 159, Gates, 128, Fisher, 101 and Hagen, 38.

Ed Mateska has carved out a spot in the starting lineup by his outstanding play.

## Sequoits Hit by Grant, R. Lake Rally Short Of Win; Free Throws Hurt

### Rally Short Of Win; Free Throws Hurt

Antioch's winless Sequoits threw a mighty fear into the second-place Bulldogs at Ingleside Friday with a spirited four-period rally, but were unable to close the gap, suffering their 10th defeat in conference play, 53-47.

Out for blood the following night, the Sequoits tore into Round Lake on the home court to the tune of 32 personals in a wild, whistle-blowing contest that saw them come out on the short end of the count 59-47.

The Grant Bulldogs took over immediately after the starting whistle Friday, jumping out to a 12-9 first quarter lead which they extended to 26-19 at the half. They stretched the margin to 40-31 by the end of the third and seemed to have things their own way.

The aroused Sequoits had other ideas, however, and moved into the fourth with an early scoring binge that brought them to within two points of the Bulldogs before their hosts could hit paydirt.

From then on in it was anyone's ball game with the score favoring Grant 49-47 with less than 90 seconds to go. Six points by each squad kept them neck and neck until Grant took over control of the ball and sunk two to take the decision.

The Sequoits, plagued by position problems and inaccuracy from the floor all season, found Friday's encounter no exception when they were outbounded 50-29 under the boards and were able to sink but 20 of 69 shots for a failing .290 percentage.

Big guns for Grant were high-scoring Haerle with 16 and Howard with 14. Les Herbst, Brian Elliott and Brian Palenske paced Antioch with 10 each.

## Sophs Come Off Mat, Take 2 on Weekend

Coach Roger Andrew's Sequoit sophs stayed hot on the trail of Lake Forest in the close sophomore race by chalking up two victories last weekend, 55-45, over Grant on Friday and a close 47-46 win over Round Lake the next evening.

Warren's sophomores, taken up with the winning ways of their league-leading varsity, also captured two wins to remain in a second place tie with Antioch. Both held 9-3 records.

Big guns for Antioch were Kubicki 11, Brownlee 13, Hallwas 12, and Lang 11. Hallwas helped the cause by picking off 19 rebounds and Lang assisted him under the baskets with 8.

Saturday night's sophomore clash between Antioch and Round Lake was a cliff hanger and Antioch is still catching its breath. Down 10 points with 2½ minutes to go, the junior Sequoits put on a razzle-dazzle of speed and press to hold Round Lake to 2 points while collecting 13, and that was it. Kubicki hit for 3 buckets in the last two minutes and Brownlee contributed 2 baskets and 2 free throws to pull the game out of hock.

Smarting from their tough loss the previous night, Antioch's Sequoits chopped Round Lake's Panthers with 32 personals, the season's high, and enough to allow the visitors to walk off with a 59-47 win.

The loss was Antioch's 11th in 12 conference games and allowed Round Lake to snap a three-game losing streak. The Panther's victory gives them a 5-7 record for the season and places them in a fourth place deadlock with Grayslake.

Round Lake jumped off to a 12-8 first-period lead which was stretched to 30-20 at halftime. The visitors stayed out in front throughout the third period, leading 44-36 at the start of the fourth. Antioch closed to within four points on baskets by Bud Dittman and Pat Sheehan to make the score 45-41 midway in the fourth. But the Panthers stepped out on a scoring streak of eight straight points to stretch their lead, 57-43.

Both teams were off on accuracy, with Antioch posting .254 percentage from the field by sinking 17, while Round Lake did little better

in hitting 14 of 50 for .280.

The game was won from the free throw mark with the Panthers sinking 31 charittles to 13 for the Sequoits. In the melee, four Antioch main stays were waved to the showers with five personals, Herbst, Elliott, Krieger and Pogose were the offenders.

The Panthers held a 49-37 edge in rebounding and were paced in scoring by Diana with 24 points on four baskets and 16 charittles tossed. Johnson with 17 was second high for the visitors.

Les Herbst, with 12, was high for Antioch, followed by Palenske with 9.

## SPIDERS.....

When Mark Twain was editing a newspaper in Mississippi, he received a letter from a reader who complained that he had found a spider in his paper. He wanted to know what it meant.

Twain replied .....

"Dear Subscriber: finding a spider in your paper was neither good luck nor bad luck. The spider was merely looking to see what merchant did not advertise, so he could go to the store, spin his web over the door and live a life of undisturbed peace."
